The Navy List is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service, but as errors may occasionally occur their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of Their Lordships,

J. G. LANG.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page in question. Communications should be marked "On Her Majesty's Service," and need not be stamped.

The Navy List is published twice annually in January and July, but the Reserves Section and Obituary are included only in the January edition. The January edition is on sale to the public.

The seniority lists of Officers on the Retired and Emergency Lists are published annually in a separate sale edition of the Navy List.

The rates of pay, regulations, &c., are contained in a special sale publication entitled "Appendix to the Navy List," which is published annually in June.

Appointments dated after the 18th day of the month of publication cannot be inserted until the following issue of the Navy List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the official records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport and Civil Aviation lay down the following conditions relative to the wearing of the Blue Ensign :—

The Blue Ensign *is not to be worn if*—

(*a*) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship ;

(*b*) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement :—

(i) in a ship other than a fishing vessel, one reservist officer,

(ii) in a fishing vessel, four reservists,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

Note.—" Reservists " can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy men belonging to the Royal Fleet Reserve ,Royal Naval Pensioners and Royal Marine Pensioners.

Patron—HER MAJESTY QUEEN ELIZABETH THE QUEEN MOTHER

THE object of the Homes is to provide primarily for the fatherless and/or motherless children of those below Officer rank, serving or who have served in Her Majesty's Navy or Royal Marines (irrespective of Port Division).

Orphan children of men of the Royal Naval Reserve, Royal Naval Volunteer Reserve, or of other men who lose their lives on active service under the Admiralty, are also eligible for acceptance.

Age for admission—normally four, but children can be received, in special circumstances, between the ages of three and four. Orphans under these ages can, also, be accepted from birth for maintenance from the Home funds.

Candidates for admission are elected at the discretion of the Committee, fatherless children being deemed to have the first claim.

Full leaving outfits are provided.

Endeavours are made to keep in touch with boys and girls after leaving the Homes, and we afford them any further assistance, financial or otherwise, which they may need.

THE NORE R.N. & R.M. CHILDREN'S TRUST

(FORMERLY PEMBROKE HOUSE, THE NORE, R.N. & R.M. CHILDREN'S HOME)

Patron—HER MAJESTY THE QUEEN

President—THE COMMANDER-IN-CHIEF, THE NORE

Vice-Presidents—THE COMMODORE, R.N. BARRACKS, CHATHAM
THE COMMANDING OFFICER, ROYAL MARINES,
MELVILLE BARRACKS, CHATHAM

THE children of the Trust are sent to, and supported at, various homes and schools, and the Pembroke House building itself has been closed. This step has been taken in view of the rising cost of maintaining the Home and the declining number of children requiring it, which together raised the cost per child to a figure commensurate with education at a good boarding school.

The Trust Charity Fund continues to provide for the fatherless and motherless children of men of the Royal Navy and Royal Marines, and ensures them a practical training; to maintain, clothe and educate them to earn their own livelihood. Every effort is made to secure good situations for them on leaving the care of the Trust.

All denominations are accepted, and orphans of men of the Royal Naval Reserve and Royal Naval Volunteer Reserve who have lost their lives whilst on duty in the Royal Navy are equally eligible with men of the Royal Navy.

The extent of the good work of the Trust depends on voluntary contributions, and all donations will be gratefully received. Donations and correspondence should be addressed to: The Secretary, The Nore R.N. & R.M. Children's Trust, Royal Naval Barracks, Chatham.

LORD KITCHENER NATIONAL MEMORIAL FUND

President—The Most Hon. The Marquess of Salisbury, K.G., P.C.

KITCHENER SCHOLARSHIPS

These were instituted in 1918 to give assistance in University courses as a Memorial to Field Marshal Earl Kitchener of Khartoum after his death by enemy action in 1916, from the Fund raised by public subscription to commemorate his services and incorporated by Royal Charter as the Lord Kitchener National Memorial Fund.

Kitchener Scholarships are awarded annually, by competitive selection—

(*a*) to sons of Officers and men and women or of ex-Officers and men or women with war service in the Royal Navy, Army or the Royal Air Force, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved course) or who, if they had done Regular or National Service, are under 30 years of age on 1st January of the year of competing ;

(*b*) to applicants of male sex under 30 years of age on 1st January of the competing year who have served in war in the Royal Navy, Army or the Royal Air Force.

Since 1945 the Fund has received valuable assistance from King George's Fund for Sailors and the Army Benevolent Fund in carrying out this object. Since 1951 it has administered also for the King George's Fund for Sailors, the male section of the South African Women's Auxiliary Service Memorial Scholarships, under similar conditions. but for service in the Royal Navy only.

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

These Scholarships, for which the money is provided by the Services, are awarded similarly each year by competitive selection ;

(*a*) to sons of Officers and men or women or of ex-Officers and men or women of Her Majesty's Regular Forces ;

(*b*) to sons of Officers and men or women or ex-Officers and men or women of the Reserve and Auxiliary Forces who served in the Great War of 1914–18 and/or the World War of 1939–45, who are over 17 and under 20 years of age on 1st January of the year of competing (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or the Royal Air Force.

The Scholarships are granted on the conditions that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission, under current regulations, in the Medical Branch of the Service for which he was selected and that if granted such a commission, he will render not less than five years' actual service on full pay ; if, however, he does not continue in the service and serve for at least 15 years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications for both classes of Scholarships can be received only in January or February each year, and must be made on an application form obtainable during those months from The Secretary, Lord Kitchener National Memorial Fund, 50, Pall Mall, London, S.W.1.

Admiralty Manual of Navigation

Publication of a 1960 revision to Volume II of the *Admiralty Manual of Navigation* affords an opportunity of recalling to all concerned with the sea and ships the particular advantages to be gained by studying this official work and by retaining it at hand for constant reference. The first of its three volumes is a practical guide for executive officers covering the syllabus for examination in Navigation and Pilotage for the naval rank of Lieutenant, but omitting the study of nautical astronomy and meteorology. Volume II is the textbook of nautical astronomy and off-shore navigation completing this syllabus, and covers also the meteorology syllabus for officers qualifying in Navigation and Direction. The third volume is based on the navigation syllabus for these officers and deals with advanced subjects and mathematical proofs not covered in Volumes I and II. The revised Volume II, now on sale at 20s. (post 1s. 3d.), contains examples worked from the 1960 *Nautical Almanac* and includes the Rapid Sight Reduction Method and the Astroplot. Revised versions of Volumes I and III are in hand.
